

25 YEAR LIMITED WARRANTY

WARRANTY COVERAGE

Chelsea Building Products (hereinafter "Manufacturer") warrants that their cellular PVC profiles will be free from manufacturing defects that cause the product to splinter, blister, decay, rot, corrode or excessively swell from moisture for a period of 25 years.

The Manufacturer's cellular PVC profiles are produced using the finest, exterior grade weatherable material. The product does not require painting. In the event that the product is painted, this warranty does not cover products painted in dark colors that fall within the lightness (L) value of 56 to 0, where 100 is white and 0 is black. This warranty does not cover the performance, nor application, of any coating.

COVERAGE EXCLUSIONS AND LIMITATIONS

The Manufacturer shall not be liable for, and this warranty does not apply to, any failure, defects or damage resulting from or in connection with misuse, neglect or improper storage, improper application or application not in adherence to normal industry standards. In addition, the Manufacturer shall not be liable for damage incurred from impact of foreign objects, fire, hurricane, tornado or other violent storms or casualty or act of God, defects or failure to install property, shifting of product or structure after installed, exposure to harmful chemicals, airborne stains, mildew or pollutants. This warranty does not cover painted finishes or coating applied the product by the original purchaser or any third party. Failure to adhere to manufacturer's recommended guidelines for application or painted surfaces may void this warranty.

REMEDIES

This warranty applies to products produced by the Manufacturer and sold to its customer for its intended use. Any claim or remedies, if the product is believed to be defective under the terms of this warranty, are between the Manufacturer and its original customer. If the product is believed to be defective, the customer shall notify the Manufacturer promptly, in writing, including the date the product was produced, the location of the defective material and a description of the defect. If the material is determined to be defective due to the manufacturing of the product, the Manufacturer will, at its option, replace or issue credit for the defective material.
