WOLF VANITY TOPS

BATH

A BEAUTIFUL BALANCE OF FUNCTION AND ELEGANCE.

The choice in a bathroom countertop speaks volumes about your vision for practical functionality and refined elegance. Wolf Vanity Tops strike that balance with a selection of premier solid surface, quartz, natural granite, and cultured marble that will transform your bath's counter space into a perfectly sensible, but stylish workspace. Easy to maintain, available in a wide range of bowl sizes and shapes, and backed by a 5-year limited warranty, a Wolf vanity top brings it all together — beautifully.

SOLID SURFACE

Solid Surface vanity tops are ultra contemporary, long-lasting and easy to maintain. The non-porous surface is moisture, bacteria and stain resistant and provides a seamless look, no matter how large the space. Even sinks can be joined right to the counter, eliminating every possible gap that leaves nowhere for moisture or mold to hide.

- » Integral and undermount, rectangle or oval bowls available
- » Wide variety of colors available
- » Pre-drilled faucet holes with multiple configurations
- » 1" thickness
- » Decorative curves and bump-outs available

SEAMLESS SINK INSTALLATION STAYS BACTERIA-FREE AND IS EASY TO CLEAN.

QUARTZ

Quartz is in demand because it offers the ideal combination of classic beauty and practicality. Resistant to stains and moisture, surprisingly affordable, extremely durable and easy to maintain, Engineered Quartz is created by mixing ground natural quartz with polymer resins for a finish that looks just like natural stone.

PRIMARY SERIES

- » Undermount rectangle or oval bowl installed
- » Pre-drilled faucet holes with multiple configurations
- » Variety of bowl sizes and colors available
- » Five decorative profile options
- » 3/4" and 1-1/4" thickness material option

NATURAL GRANITE White Napoli

NATURAL GRANITE

The hardest of all natural stone materials, Natural Granite fits any decor from classic to contemporary and resists stains, scratches and heat. Every piece is an original too, since the color and crystalline structure of granite vary depending on the amount and mix of natural elements it contains.

- » Undermount rectangle or oval bowl installed
- » Variety of bowl sizes and colors available
- » Pre-drilled faucet holes with multiple configurations
- » Five decorative profile options
- » 3/4" thickness with a 1-1/4" thickness option
- » Decorative curves and bump-outs available
