**WOLF** ENDURANCE

## ENDURANCE

Wolf Endurance is affordable deck, patio, hardscape and garage cabinetry designed to last a lifetime. Aluminum construction provides superior strength and performance. Endurance cabinetry will not rust, swell or warp from moisture and is highly resistant to mold and mildew. Plus, Endurance is lightweight and easy to configure and install.

Endurance Cabinetry provides customers the freedom to utilize cabinetry in almost any setting, including elevated decks, roof top decks, patios and garages.

### LIGHTWEIGHT

Easy to handle and install.

Freestanding - Shaker, White

Hardscape Insert - Flat, Black

### EASY TO CONFIGURE AND INSTALL

Custom configurations and adjustable legs that accommodate every surface.

## ALUMINUM CONSTRUCTION

Endurance cabinetry's all aluminum construction is comprised of bent panel subassemblies with welded inset frames that provide outstanding structural strength and aesthetic appeal. Freestanding cabinets and hardscape inserts are available with Flat and Shaker door styles. All door and drawer opening are sealed with a EPDM D-Seal to insure a weather resistant interior. All exterior hardware is 304 stainless steel, again making it perfect for outdoor applications.

Structural Reference: 36" wide open cabinet is stable up to a 750lb static load.

### ALUMINUM CONSTRUCTION

Durable construction at a cost substantially less stainless steel.

### FULLY ASSEMBLED

Freestanding and ready to use right away.

### SEALED STORAGE

Keeps supplies dry inside, and rain and moisture outside.
