LIST PRICING & PRODUCT SPECIFICATIONS
EFFECTIVE MAY 2025

Cultured marble is a man-made, cast marble product that realistically mirrors the rich colors, veining and depth of detail of natural stone. By integrating the latest technology in blending polymer resins with natural minerals, the cultured marble in the Carstin Collection is both beautiful and durable while offering exceptional design flexibility and customization. You can select from many colors and styles or create a custom top in a color and size that meet your specifications. Pair your choice of vanity tops with an integral bowl for a luxurious bath.
