WHY KEYLINK?

When you work with Keylink, you get more than a manufacturer—
you get a business partner who's invested in your success.

WHO IS KEYLINK?

Keylink offers premium aluminum railing solutions engineered for exceptional performance, superior aesthetics, and ease of use. Through thoughtfully designed services and a team committed to providing real value, we empower our customers to succeed while fostering meaningful connections and enduring partnerships. At the heart of our company is a steadfast belief in doing the right thing, ensuring excellence in everything we create, and the value we bring to those we serve.

EXCEPTIONAL STYLE, OUTSTANDING PERFORMANCE.

If you're dreaming of beautiful living spaces, our low maintenance aluminum railing, designed to provide long-lasting attractiveness and safety, is one way to make that dream a reality. With its wide variety of colors and styles, Keylink's aluminum railing is appreciated by homeowners and builders alike.

MANUFACTURED IN THE USA

Keylink's products are proudly designed and manufactured in the **USA** to ensure a quality fit and finish.

WHAT IS KEYLINK QUALITY?

- Keylink uses AAMA 2604 standard coating on all our aluminum, and AAMA 2605 standard coating is available as part of our coastal upgrade package, to protect aluminum within one mile of saltwater.
- IBC or IRC code compliance for peace of mind and safety
- Limited lifetime warranty and 5-year prorated labor warranty
- Contractor focused design makes installation easy
- Access to dedicated support teams to assist your project

Keylink has been **PCI certified** through the Powder Coating Institute. Powder coating is the solution to keeping aluminum railing and fencing from fading and helping it to retain its color.
