THINGS TO CONSIDER BEFORE YOU CHOOSE

WHAT'S **BEYOND** THE RAILING?

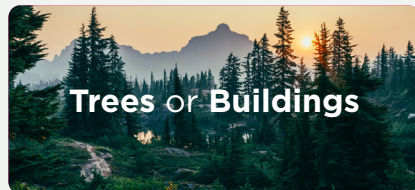

Hills or Water

WOLF RECOMMENDS

Horizontal Infill

- CityPost Horizontal Cable
- Fortress Fe26 Axis Horizontal

Trees or Buildings

WOLF RECOMMENDS

Vertical Infill:

- Fortress Al13 PLUS Traditional
- Fortress Fe26 (PLUS) Traditional

WHY? Matching the orientation of your infill to your sight line helps the infill disappear so you can focus on the view!

WHAT **MATERIAL** IS BEST FOR YOU?

Aluminum

IS BEST FOR

- Coastal or Saltwater Environments
- Lighter Lifting on the Job

WOLF RECOMMENDS

- Fortress Al13 PLUS Traditional

Steel

IS BEST FOR

- Smaller Budgets
- Heavy Traffic Areas

WOLF RECOMMENDS

- Fortress Fe26 Axis Horizontal
- Fortress Fe26 (PLUS) Traditional

CityPost railing consists of Steel Posts with an Aluminum Top Rail

WHAT **POST STYLE** DO YOU PREFER?

Proud Post

WOLF RECOMMENDS

- Fortress Fe26 (PLUS) Traditional
- Fortress Al13 PLUS Traditional

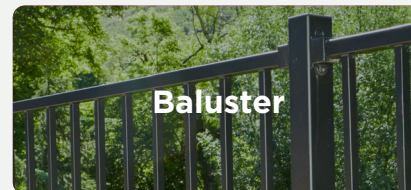

Over the Post

WOLF RECOMMENDS

- CityPost

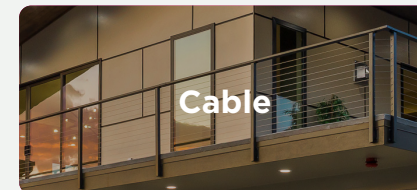

WHAT **INFILL BALUSTER** FITS YOUR STYLE?

Baluster

WOLF RECOMMENDS

- Fortress Al13 PLUS Traditional
- Fortress Fe26 Axis Horizontal
- Fortress Fe26 (PLUS) Traditional

Cable

WOLF RECOMMENDS

- CityPost
- Fortress Fe26 H-Series Cable
- Fortress Fe26 V-Series Cable

JOIN THE *RAIL*OLUTION

At CityPost, we believe that everyone deserves to enjoy their home and have high-quality things at great value. We're the only cable railing company in the US that guarantees a fixed price per foot — which is about half the cost of our competitors.

CityPost was designed with home DIY'ers in mind. We'll send everything you need, from posts & fasteners, to cable and cable hardware. You won't have to worry about drilling, cutting posts, or handling complicated hardware! No experience, no problem. We've made it so easy, anyone can install CityPost.

How It
Works

Installation
Instructions

CABLE RAILING

- **Clear Sightlines:** Slim metal posts and thin stainless steel cables preserve outdoor views
- **Color Customization:** Standard powder-coated finish options include black, white, gray, or bronze
- **Versatile Style:** Fits modern, industrial, coastal, and transitional home designs
- **Low Maintenance:** Eliminates the routine sanding, painting, or staining required by traditional wood railings

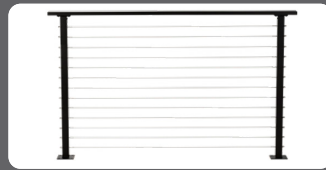

DESIGN OPTIONS

1 PICK YOUR RAILING HEIGHT:

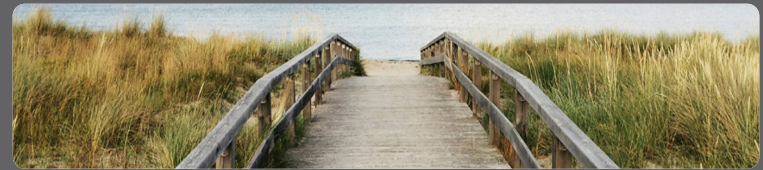

■ 36" RAIL HEIGHT

■ 42" RAIL HEIGHT

2 PICK YOUR RAILING MATERIAL:

■ E-COAT STEEL OR MARINE GRADE ■

If you live within five miles of salt water, we recommend upgrading from E-Coat Steel to Marine Grade Steel Post Material.

3 PICK YOUR RAILING HARDWARE:

■ STAINLESS STEEL

■ BLACK

4 PICK YOUR RAILING COVERS:

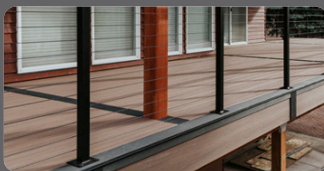

WITHOUT COVERS

■ WITH COVERS

HOW TO ORDER

1 PICK YOUR **PRODUCT**

2 CREATE YOUR **DECK DRAWING**

3 GET YOUR **QUOTE**

- Calculate the total linear feet of railing in your project
- Multiply by the PPLF cost of the product(s) you'd like to quote
- Verify the SKU for the product you've chosen
Make sure it's listed on your drawing

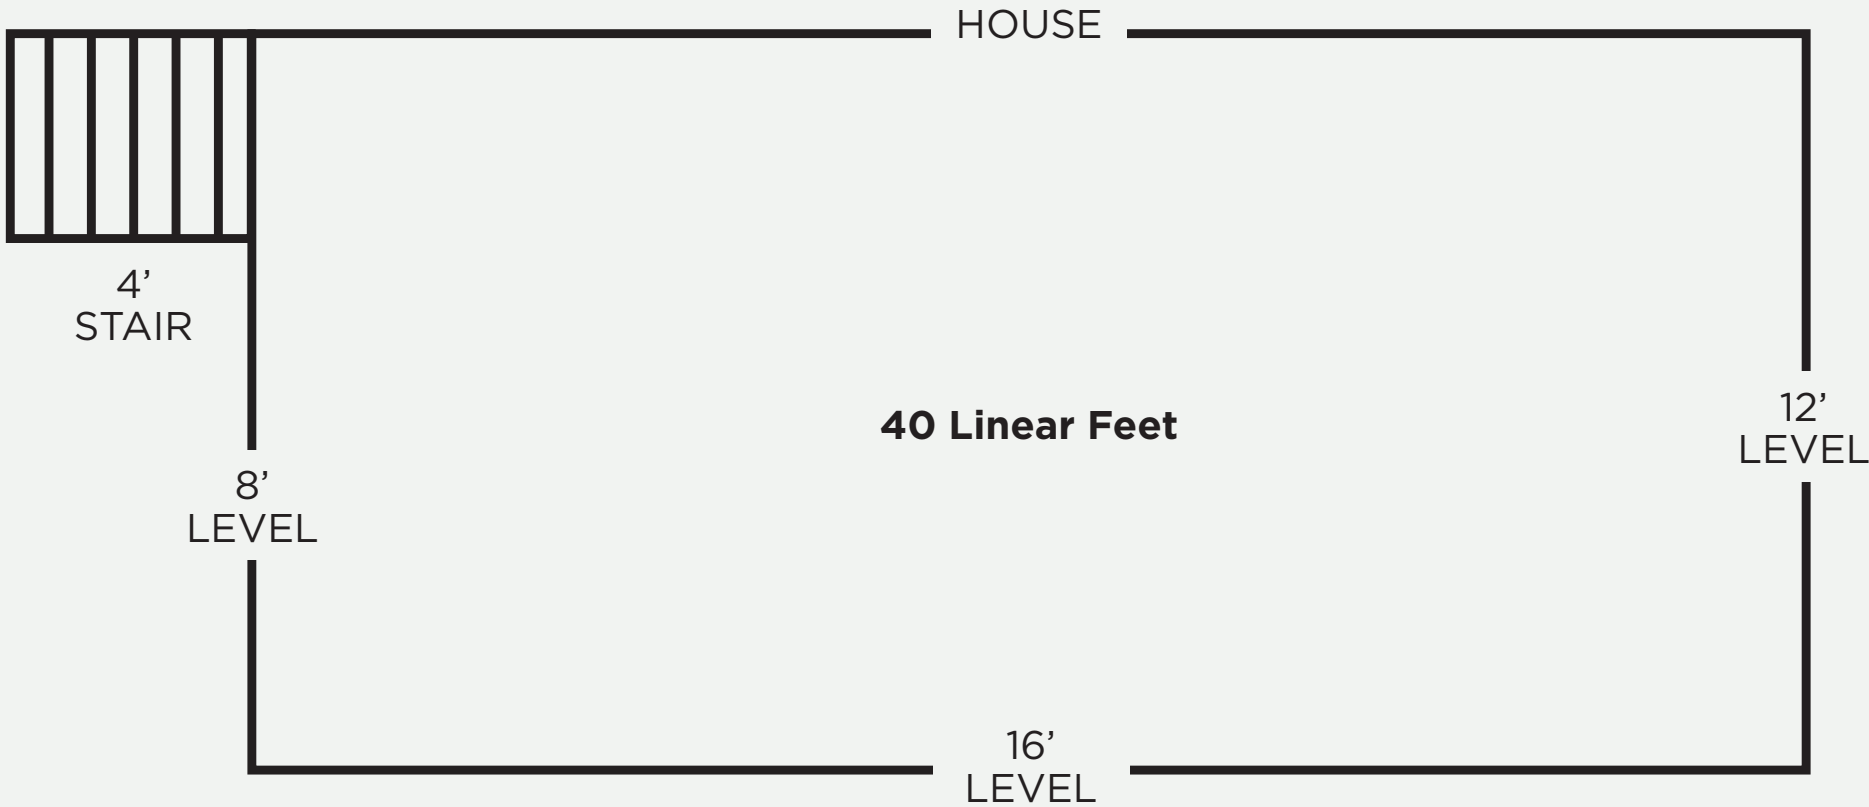

4 LET YOUR HOME DEPOT PRO SUBMIT YOUR DRAWING TO WOLF OUTDOOR LIVING: **THDORDERS@WOLFOUTDOORLIVING.COM**

Your drawing should...

- Be **clean** and **legible**
- Include all relevant **measurements**
- List the **railing SKU** for ordering
- Include the **job name** & your **contact information**

5 ORDERS WILL BE DELIVERED TO THE HOME DEPOT WITHIN 10 BUSINESS DAYS. NEED IT FASTER? CALL **855-438-2489**
